

## ADP Sales Tax Solution at Siemens: A Case Study

Wed., Jan. 21 | 12-1pm EST | Complimentary - No Fee to Attend | Earn CPE Credit

This webinar follows the implementation of an automated sales and use tax system at [Siemens Shared Services LLC](#). Based in Orlando, Florida, this part of the Siemens business performs back-office functions that add value through economies of scale, centers of expertise, and best practices.

Hear first hand how Siemens Shared Services implemented a transaction tax system and as a result was able to reduce headcount, lower costs, and minimize liability - while improving compliance and adding value to the company.

During the final 10 minutes of this webinar, we will answer questions from the audience.
