# Game-Changing Trends in Electronic Pay

How to go electronic and win...

This seminar is ideally suited for finance, HR and payroll executives interested in launching an electronic pay solution within their organization. Attendees will enjoy speakers from DineEquity, Inc., the parent company of Applebee's Neighborhood Grill & Bar and IHOP, with more than 3,500 restaurants worldwide; Visa, Inc., a global payments technology company that connects consumers, businesses, banks and governments, enabling them to use digital currency instead of cash and checks; ADP, Inc., a global leader in electronic pay solutions and other outsourced business solutions for finance, human resources, and payroll; as well as Cathy Beyda, of counsel in Paul Hastings LLP corporate practice, who has advised numerous financial institutions, payroll card companies and employers on issues relating to electronic wage payment including the development of multi-state compliant electronic wage payment programs. **Attendees will receive 3.0 CPE credits** for participating in this seminar.
